

RosterApps Application Changes – QA 26.20 / Production 26.22

May 28th 2026

Branding Updates.....1

Branding Updates

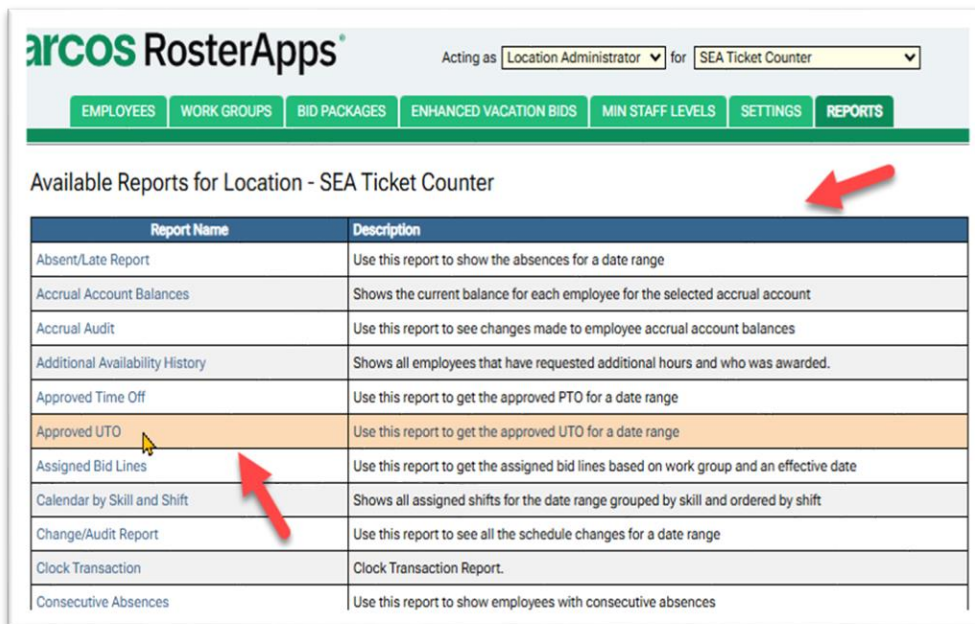

- Refreshed the visual design across all RosterApps pages to deliver a more modern and consistent experience.
- Updates include:

- **New base font** (Roboto Flex) for improved readability
- **Refreshed table styling** — updated header colors and row highlight on hover
- **Updated buttons and links** -with new brand colors and hover effects

Note:

- **This is a visual update only**—no changes to functionality, navigation, or responsiveness
- All existing workflows and behaviors remain unchanged

Table Changes
